ADVERTISEMENT FOR BIDS

Sealed bids will be received by the City of Cookeville Department of Water Quality Control until 10:00 A.M. Tuesday, March 29, 2016, for the Ridgedale Drive Water and Sewer Improvements and Old Bridge Road Water Line River Crossing. Water improvements consists of 430' of 10" DI, 1090' of 10" SDR-21, 450' of 12" HDPE Water Pipe, including a 20" bore and jack under the railroad and a directional bore under the Falling Water River and 2" directional bores for water service replacements and related appurtances. Sewer improvements consist of 1753' of 8" SDR-26 gravity sewer along with service taps and laterals, along with 5 manholes. Contract documents, including Instructions for Bidders, are available in the Department of Water Quality Control Office, 1860 South Jefferson Avenue, Cookeville, TN 38506 (Phone (931)520-5227, email mjacek@cookeville-tn.org). There is a \$100.00 non-refundable charge for each set of contract documents. No bids will be received or accepted after the above-specified time for the opening of bids. Technical questions regarding the contract documents should be addressed to Barry Turner at bturner@cookeville-tn.org.

Bids shall be accompanied by a cashier's or bank check, or Bid Guarantee Bond in the amount not less than Five Percent (5%) of the bid and subject to the conditions provided in the Instructions for Bidders. Bids shall also be accompanied by an affidavit of a drug-free workplace as required by T.C.A. 50-9-113 and as detailed in the Instructions for Bidders.

The successful bidder will be required to furnish an acceptable Performance and Payment Bond in the amount of One Hundred Percent (100%) of the contract price, each Bond.

All bidders must be licensed contractors to perform the type construction herein described as required by Tennessee Code Annotated, Title 62, Chapter 6, "The Contractors Licensing Act of 1994" as amended.

The City reserves the right to waive any irregularities or reject any or all bids as deemed in the best interest of the City, and in the event all bids are rejected, the project may be re-advertised.

Ronnie J. Kelly, Director
Department of Water Quality Control
