Total Square Footage: _____ Total Cost: _____

AFFIDAVIT of ZONING SETBACKS – CITY of COOKEVILLE ZONING CODE ORDINANCE #88104:

Setbacks are measured from property lines or street right-of-way lines (location of lot's corner pins) and NOT from the edge of pavement. Use special care on lots located on cul-de-sacs or along curvature of a street to ensure that the curvature of the setback is considered. If in doubt of the location of corner pins, it is recommended that you have a surveyor locate the property lines.

I, the undersigned, hereby swear or affirm that I am applying for a building permit from the Department of Codes, City of Cookeville, Putnam County, TN, and that I understand **Section 204.17: 204.17A, 204.17B, & 204.17C of the Zoning Code (attached) that pertains to: ZONE:** _____

MEASUREMENT OF MY BUILDING SETBACKS ON LOT: **Front** _____ **Side** _____ **Rear** _____

I understand that it is my responsibility to make sure that the building is within the proper setback. I understand that if any portion of the building is violating the setback requirements, I will be made to remove that portion in violation.
